The walk from Evans Lookout to Beauchamp Falls is a magical journey, passing through the bottom part of the Grand Canyon. The views from Evans lookout are stunning, with the lush canyon environment providing a very different environment to enjoy. The walk then continues down the creek to Beauchamp Falls. If you don't have the time to do the whole of the Grand Canyon walk this is a great compromise.

0 | Evans Lookout car park

(80 m 3 mins) From the information sign at Evans Lookout car park, this walk follows the 'Evans Lookout' sign down the steps. The track passes a stone shelter on the right as it reaches the railed lookout.

0.08 | Evans Lookout

Evans Lookout, Blue Mountains National Park, looks over the spectacular Grose Valley, with its deep gorges, green forest and prominent cliff lines. The fenced lookout is at the end of Evans Lookout Road. There is a rock shelter hut and toilets.

0.08 | Evans Lookout

(1.1 km 38 mins) Turn sharp right: From Evans Lookout, the walk heads down the steps, passing the 'Grand Canyon' sign. From the bottom of the cliff stairs, the walk tends left onto the spur where it continues downhill and weaves past some boulders to a signposted intersection.

Veer right: From the intersection, the walk heads down the stairs into the gully following the Neates Glen and Grose Valley signs. The walk winds down the hill for approximately 100m to a railing. From here, the walk continues down the other side of the gully, winding down the hill for a short while. The walk then continues down the right-hand side of the gully to drop onto the creek with a signposted rock in the middle.

1.19 | Int. Grand Canyon and Rodriguez Pass Tracks

(380 m 16 mins) Veer left: From the intersection, the walk follows the signs to 'Rodriguez Pass' around the canyon side, with the creek on the left. After about 200m, the track crosses

the creek. The walk follows the white arrows painted on the rocks winding down between, around and under large boulders for approximately 100m. The track then heads out of the pass, keeping close to the cliff line before winding down the hill to Beauchamp Falls.

1.56 | Beauchamp Falls

Beauchamp Falls, Blue Mountains NP, is a beautiful set of falls, split by the rock in the centre of the creek. The falls are created by Greaves Creek, which comes out of the Grand Canyon, above. The falls are approximately 10m tall, with rocks at the base.
