Olympian Lookout is a fenced lookout, just off the Prince Henry Cliff Walk, near Olympian Pde in Leura. The lookout is on a sloped, natural sandstone surface and has some steps cut to help improve access. The lookout is right at the edge of the cliff and provides a great view across the Jamison Valley, out to Mount Solitary. The 'back' of the Three Sisters, and also Narrow Neck, are both visible on the right, and Sublime Point on the left.
